they cannot cure.

**SYMPTOMS OF CATARRH.** - Dull, heavy headache, with the nasal secretions running down from the head into the throat, sometimes through water, and acid in other cases, causing uneasiness, purulent, or yellowish mucus, weak and watery, and a slight feverishness, rattling or rattling to clear the throat, expectoration of offensive matter, together with sneezes from others; the voice is changed, and has a nasal twang, the breath offensive, and a dry, and disagreeable, rheumatic sensation of discharge, with mental depression, a shaking cough, & general debility. Only a few of the above-mentioned symptoms are likely to occur at one time, and, if one or two of them annually, about one-half or half of the above-symptoms, results in consumption and end in the grave. No disease is so common, more dangerous, or less understood by physicians.

By its mild, soothing and healing properties, Dr. Sane's Cough Balsam cures the worst cases of Catarrh, "Cold in the Head," "Coryza" and "Catarrhal Headache."

Send to druggists everywhere; 50 cents.

"Fatal Agony from Catarrh."

Prof. W. H. Hansen, the famous mesmerist, of Ithaca, N.Y., writes: "Some ten years ago I suffered myself away from catarrh in my brain. My family physician gave me up as hopeless, and said I must die. My case was such a bad one, that I could not even speak above a whisper. In the morning I could hardly speak and clearing of the throat would almost strangle me. By the use of Dr. Sane's Cough Balsam, after three months I was well and the cure has been permanent."

"Constantly Hawking and Spitting."

Thomas J. Rusing, Esq., 292 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years, and could not breathe. I was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Recently I went to Dr. Sane's Cough Balsam, and am now a well man. I believe it to be the only safe remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, postpaid to any address, on receipt of a two-cent postage stamp. Address,
